

Dear families,

Your school is now using our new platform for your online science portal. This Portal is unique to its user so students can highlight, bookmark pages, and take notes within the pages.

1. Once you've received login information from your teacher, go to [lab-aids.com](http://lab-aids.com) and click **Book Login**.

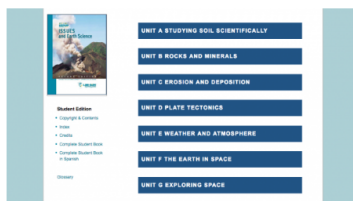

2. On the new page select **New Login**.

#### Classic Login

Haven't been contacted by Lab-Aids to switch over?  
This one's for you.

Classic Login

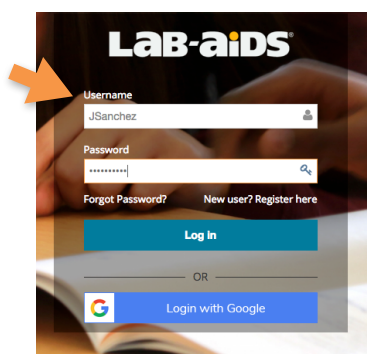

#### New Login

Click below to login to our new Portals.  
(If you know your school has switched to the new portals, use this one.)

New Login

3. Enter the **username** and **password** provided by your teacher.

For more on how to use your Portal, go to [lab-aids.com/portal-faq](http://lab-aids.com/portal-faq) and scroll down to **For Students**.
